Whole School News

March has been a wonderful month for us here at the Inglehurst Junior School and it goes without saying that we have showcased some wonderful talent during our assemblies this month!

It has been an absolute pleasure to see all of the trophies, awards and certificates that the children have been bringing in. If your child has any certificates, medals or awards, please do allow them to bring them into school so that they can show all of the other children (and staff) during our celebration assemblies which are every Friday. If you would like to attend to see your child show off their talents, please do!

In other news, on Friday 24th March, we celebrated 'Red Nose Day' and managed to raise a whopping ~~£294.32~~! Thank you to all of the children who came dressed up in their fancy-dress outfits. We had some wonderful costumes and we enjoyed raising some money for this charity. To top it off, Mrs Pugh baked some beautiful cakes which we all enjoyed!

The Learning Zone put on a fabulous performance during their class assembly and produced an outstanding video about Dinosaurs. Alongside Mr Smith, the children worked incredibly well together to produce some excellent content and Mr Butler did a fabulous job of editing all together. In addition to this fabulous video, our 'Mannequin challenge' had its debut this week. If you would like to see it, visit our website!

A group of 75 pupils from across the school were selected by their teachers to attend an 'All Stars Trip' where they had a special screening of 'Big Hero 6' at the Phoenix theatre. The children were a credit to our school and a fabulous time was enjoyed by all. Phoebe Needham (Y6) commented that "...it was a really good film and I'm glad I had the opportunity to go!!".

Our new library is now up and running. We would like to thank the children for taking such great care of the books that we have at our school. We're glad that the children enjoy reading and love their new library as much as we do!

Those that came into school on Friday the 3rd March may have noticed that everyone was dressing up to celebrate World Book Day. As part of this day, we were fortunate to receive a visit from the Scholastic book fair (which lasted for a week) where children and staff were able to purchase an excellent range of brand new books at a discounted price.

Dates for the diary

- ☐ Monday 10th April – Friday 21st April – School closes for the Easter Holidays.
- ☐ Monday 24th April – School opens for Summer Term 1.
- ☐ Monday 8 May 2017 – Thursday 11 May 2017 – Year 6 SATs week.

Dates goes here

YEAR 3

Year 3 have had a fantastic term and have been learning about playing the Glockenspiel.

Next half term, Year 3 will be learning about Benjamin Britten's life and music, they will learn to sing a range of his songs in R&B, reggae and hip-hop styles focusing on pulse rhythm and pitch.

They will also learn how to improvise with percussion instruments that they will play with the songs.

YEAR 4

Some of our very talented and exceptionally clever journalists have been talking to some children about what they like about school.

This week, Phoebe Needham (Year 6) focused on interviewing Year 4 and spoke to her little sister Jemima (age 9). This is how the little talk went.

Phoebe: what is your favourite lesson and why?

Jemima: I like art because you can draw and really express yourself to the limit.

Phoebe: How much do you like the new lunchtime scheme?

Jemima: I like it a lot and we get to meet new people from different houses.

Interviewed by Phoebe Needham.

YEAR 5

**Red Nose Day
Friday 24th March**

On Red Nose Day, IJS pupils came to school in their funny, red outfits and brought in £1 for comic relief. It was a fantastic day and we raised **£294.32** thanks to all of the wonderful people that brought in their contributions. A select group of children were lucky enough to visit the Phoenix Cinema on this day while the rest of enjoyed comic relief at school by having a delicious cake sale. Year 5 particularly enjoyed this sale!

YEAR 6

This month, we have been working incredibly hard whilst preparing for our SATs examinations. Although we are a little bit nervous, we feel like we're ready and well prepared!

In addition to preparing for our SATs, we have been spending time thinking about the future and have been applying for our Secondary Schools. Most of us were happy that we got into the schools of our choices.

We're looking forward to our 'End of Year' productions and hope that it will be good fun once rehearsals start!

Phoebe Needham and Frankie Thomas
