1. Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made

- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.50am on each school day.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 8.50am or as soon as practically possible (see also section 6).

A text message will be sent to parents informing them if their child is not present at registration and a message has not been received by the office.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences. However, these absences still come off a child's overall attendance.

We encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Please inform the school office of any planned appointments as soon as possible.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

If a child is frequently late a letter will be sent to parents informing of this. Lateness is monitored and if a child continues to arrive late regularly a meeting will be arranged with the Education Welfare Officer.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

After 3 days of absence, we will ask parents/carers to provide medical evidence of a child's illness.

3.6 Reporting to parents

Children's attendance records will be reported to parents in their end of year report.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

Every week, the class with the best attendance receives the Class Attendance Award in assembly.

6. Attendance monitoring

The attendance officer monitors pupil absence on a fortnightly basis with the Education Welfare Officer.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

If a pupil's absence goes above 3 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continue to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

7. Roles and responsibilities

7.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

7.2 The headteacher

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

7.3 The attendance officer

The attendance officer:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

7.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

7.5 Office staff

Office staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed annually by the Headteacher. At every review, the policy will be shared with the governing board.

9. Links with other policies

This policy is linked to our child protection and safeguarding policy

10. Child Missing in Education

If a pupil is absent from school and IJS have not received any notification from the parent/carer, a text will be sent to the parent/carer which will then be followed up with a phonecall if there is no response.

If a pupil has been missing from school for 3 days and no contact has been received or made with their parent/carer, JS will follow these steps;

- Contact the Education Welfare Officer to conduct a home visit.

If IJS are unable to contact the EWO

- IJS will call the Police for a 'safe and well' check.
- IJS will provide the child's date of birth, the last day they attended school, why they are concerned about their non-attendance and any other concerns they may have.
- If the Police are unable to respond, IJS will contact the Head of the EWO service.
